Report on Analysis of Alumni feedback

Vear 2021-22

The Institute collects feedback from alumni regarding general as well as curriculum and syllabus every year. They are advised to give fearless and open responses. This is done to find out the shortcomings in the curriculum and improvise it as per the present needs, and also to know if views of students regarding college, its staff and other things. The suggestions are compiled and consolidated at the college level. Based on the feedback collected the suggestions are discussed and forwarded to IQAC and later IQAC forwards the suggestions to the University to improvise the syllabus if they can.
