# Feedback Analysis

#### Gujarat Commerce College, Ellisbridge Ahmedabad Report on Analysis of Parents feedback Year 2020-21

The Institute collects feedback from parents of students regarding general as well as curriculum and syllabus every year. They are advised to give fearless and open responses. This is done to find out the shortcomings in the curriculum and improvise it as per the present needs, and also to know if views of students regarding college, its staff and other things. The suggestions are compiled and consolidated at the college level. Based on the feedback collected the suggestions are discussed and forwarded to IQAC and later IQAC forwards the suggestions to the University to improvise the syllabus if they can. Ours being an affiliated college, we can only make suggestions to the university; the ultimate decision lies with the university. IQAC tries to bring changes as per the general suggestions.

#### Method of feedback collection and analysis:

Feedback were collected through google forms. Responses were downloaded.

Frequencies were counted and converted into percentage to see the responses of the majority. Pie charts were prepared for the frequencies and percentages. Interpretations were made and thereby suggestions were made.

#### Other suggestions from Parents:

- > A subject should be taught by a single teacher
- Placement must be increased and some course related to computer should be taught
- Strict timings. Punctuality need to be improved. It would be good if the students are practically taught related to their syllabus.
- College teacher are cooperative
- Change classroom atmosphere
- Give our child video lecture recording for helping them self-study or sum related problems

Page 17 of 19

- Kindly provide more information about study for students No changes in syllabus since years.
- > Arrange online lectures for irregular students.

#### **Final Suggestions:**

- Inclusion of practical skills and sessions in syllabus are recommended.
- Apart from the courses offered institute needs to offer courses that help students earn good eg. Earn while you learn and courses that provide basic computer skills.
- Other vocational courses should be emphasized
- Employability and placements need more focus.
- Admin staff needs to be a little politer and cooperative towards the students.
