Training and Educational visit of EDII

The Entrepreneurship Development Institute of India (EDII) is a business school located in Gandhinagar, Gujarat, India. It was founded in 1983 and is one of the leading business schools in India. EDII offers a variety of programs in entrepreneurship, management, and technology.

It is possible that the visit to these institutions was intended to help the students learn more about the different career options available to them. The visit could have also helped the students gain a better understanding of the different types of organizations that operate in India.

Students get the knowledge how to become an entrepreneur and start their own business successfully. The training given to students in different session by experts of EDII will be very insightful for students and as a commerce graduate they can directly get idea about the business organization.
