

Samvadam Report 2019-20

Gujarat Commerce visions an overall development of its students. We aim to incorporate the different purviews of life along with academics and career building of the students. To fulfill this objective, the college has started a project named “*Samvadam*” wherein we invite experts from different fields to openly share their views and expertise with our students, so that they get exposed to social, cultural, corporate, economic, national and international matters of importance.

To serve this purpose, Dr. Avani Trivedi, Regional Director, IGNOU was invited for an expert talk on “Conventional Education and Distance Education – Parallel Learning” on 29th June, 2019 at 10:00 a.m. She informed our students about distance learning as well as conventional learning so that they can acquire dual degree at a time. She said that without any barrier students can get counseling at centre of IGNOU. She also said that IGNOU provides the course flexibility as well as time flexibility. Even if more than 20 students are there in a course and if they agree for evening 6 to 8 practical sessions then they arrange this too. Study Material prepared by IGNOU is in simple language so there may not be such difficulties. Total 222 students have actively participated in this seminar.

On 26th July, 2019 a lecture was organized on “Consumer Protection Awareness” under consumers club and Samvadam by Consumer Education and Research Centre, Ahmedabad. Total 169 students participated in this seminar. The officials of Consumer Education and Research Centre made students aware about misleading Advertisements such as Green tea for slimming, Noodles as healthy snacks, Yantra for removing obstacles in life, Irresponsible endorsements by celebrities, Unsafe stunts, Sunsilk Long and Healthy Shampoo, Nihar Shanti Badam Amla Oil, Loreal Extraordinary Clay Shampoo, Garnier Micellar Cleansing Water, Pure Derm Anti-Dandruff Shampoo, Kelloggs Special K, Head & Shoulders Anti Dandruff Shampoo, Maggi Nutrilicious Atta Noodles, Fortune Vivo Diabetes Care Oil, Amul Shrikhand, Lever Ayush, Officer’s Choice Blue Snacks etc. Even they delivered a speech on “Environment Literacy: Eco-Labeling and Eco-Friendly Products”. The need of organic foods, green alert, save water before it is too late, climate change, environment friendly products, no plastics etc. is required for healthy wellbeing. The environment harmful products should be avoided and substitutes can be used.

She also shared website to learn more about GST. Total 193 students were benefited through this lecture.

An invited talk on “How to clear UPSC-Civil Service Examination (UPSC-CSE) in 1st Attempt” on 6th January, 2020 at 10:00 a.m. to 12:00 p.m. was organized by college.
