

Report of Event organized on 21st October 2020 under CWDC

Gender disparities are no longer silent subjects. Education is the biggest field to introduce any massive change in society. With the spreading of awareness about gender discrimination at all levels, we find many self-sustaining and crowd drawing movements by young leaders of colleges. Legal measures have also made their way into colleges and other institutions. One of them is Women Development Cells (WDC). The aim and objective of the Collegiate Women Development Cell (CWDC) is to prevent sexual harassment at workplace and to promote general wellbeing of female students, teaching and non-teaching women staff in college. The cell is also responsible to undertake the awareness programmes on gender sensitization, women rights and women empowerment in college.

Our college invited Dr. Seema Kashyap, Lecturer, Government B. Ed, College, DIET, Ahmedabad and she delivered a very nice talk on “Women – Self Existence and Society” through Microsoft Teams which was live streamed on facebook on 21st October, 2020 at 9:00 a.m. The programme was anchored by Dr. Hemali Shah, the chairperson of CWDC. Our principal, Dr. Jyotsnaben Patel introduced out eminent speaker. Vote of thanks was given by Dr. Sonal Solanki, member of the committee and technical support was provided by shri Vipul Shyara, technical assistant of the college. This COVID – 19 pandemic has affected the life of the people. The work from home has made life stressful for women. Due to lockdown, the maid for household chores was not possible. It was necessary for the other members of the family to share the household chores. Many times, it happens that the female of the family ignores her own food for the sake of the adjustments of household chores and the different roles which she plays in the family. So, first of all, female has to love herself and give priority to herself. She needs to take care of herself first. We need to give trust to our daughters not to bear any injustice even after marriage and say them that parents are always with her to support. Women must be selfish, love herself, stop comparing herself with others, and know her own worth. Women must not worry about others opinions.
