

FRESHER'S ORIENTATION PROGRAMME:

Enhancing awareness of the college code of conduct among students is essential for promoting a culture of respect, integrity, and accountability within the academic community. The College conducted a Fresher Orientation Programme on August 6 2022, to welcome the new batch of students. The aim of the program was to familiarize the students with faculties and various committees. The program included college documentary, which helped the students to be acquainted with the college community.
