AWARDS AND RECOGNITIONS RECEIVED FOR EXTENSION ACTIVITIES FROM GOVERNMENT / GOVERNMENT RECOGNIZED BODIES

Educational Institutions work for the betterment of society not for awards and recognition but these prove to be a symbol of appreciation for their work. When your work is appreciated and recognized it enhances the ability to do more and more good. Awards and recognition do not only acknowledge success; they recognize many other qualities: ability, struggle, effort and, above all, excellence. These are a few recognitions that we have received from our vicinity as a symbol our service and dedication to the society.
